Ibrahim C. Llamar, MD., and Coun. Wilson A. Viray. Before the proper motion. I move for the inclusion under the Question Hour the appearance of our invited guests, our MSWDO and MDRRMO. With those inclusions, I move for the approval of the Order of Business for today's session.

PRIVILEGE HOUR:

PRESIDING OFFICER PRO TEMPORE – Since no one is availing the Privilege Hour, let us proceed to the Question Hour.

QUESTION HOUR:

PRESIDING OFFICER PRO TEMPORE – Before we proceed, may I request the Floor Leader for the motion to suspend our rules?

FLOOR LEADER – Madam Presiding Officer, I move for the suspension of the rules of procedures to accommodate our invited guests in the person of our Municipal Social Welfare and Development Officer Abstenencia C. De Guzman and LDRRMO III Joery M. Geroleo.

PRESIDING OFFICER PRO TEMPORE – On motion of the Floor Leader the rules of procedures are hereby suspended.

APPEARANCE:

ABSTENENCIA C. DE GUZMAN, MSWDO

JOERY M. GEROLEO, LDRRMO III

PRESIDING OFFICER PRO TEMPORE – You may now have the floor, Distinguished Councilor from Sampaguita.

COUN. WILSON A. VIRAY – Madam Presiding Officer, I would like to ask the estimated fund for this years calamity fund at kung ano ang ginagastos natin sa ngayon?

JOERY M. GEROLEO – For the entire year is P9M. Ang pinaggamitan sa capital outlay ay procurement ng folding beds, stockpile na bigas.

COUN. MARA EDAMZEL L. DUDAS – Motion of privilege, may we request the persons who repair the roof na kung maari ay later na lang, dahil hindi marinig ang usapan.

PRESIDING OFFICER PRO TEMPORE – One of our staff may please to request na mamaya na ituloy ang pagre-repair.

(Staff went out to request the persons on the roof to stop for a while.)

COUN. WILSON A. VIRAY – Ang Calamity ba na ito ay QRF?

JOERY M. GEROLEO – P2.7M ang QRF.

COUN. WILSON A. VIRAY – Food at sardines ang pinaggamitan pero sa pagkain ay konti lang.

JOERY M. GEROLEO – Ang 30% ng calamity fund ay mandated by law as QRF.

COUN. WILSON A. VIRAY – Gaano karami agad ang stockpile?

JOERY M. GEROLEO – 100 cavans na bigas. Iyong QRF ay magagamit lang kung may declaration ng calamity. Iniwasan natin na kung marami ang stockpile ay uumukin lamang. Ang NFA ay 100 cavans lang per day ang pwedeng bilhin sa kanila.

COUN. WILSON A. VIRAY – Wala ba kayong advice ng bagyo? May communication ba kayong natanggap mula sa PDRRMO?

JOERY M. GEROLEO – Pabago-bago ang forecast ng PAGASA ng bagyo ang sabi nila ay nasa Bicol ng Sunday, pumasok sa PAR ay Sunday na.

ABSTENENCIA C. DE GUZMAN – Umorder kami ng Monday pero hindi na nag-release ang NFA. Monday ay nag-meeting na.

JOERY M. GEROLEO – 400 cavans talaga ang gusto naming i-order pero hindi i-release ng NFA

dahil may policy sila. Noong time ng Ruby may stockpile na tayo.

ABSTENENCIA C. DE GUZMAN – Ang usapan with the Liga ng mga Barangay ña sa first day, ang stockpile ng barangay ang kukunan, at sa 2nd day saka pa lang ang municipal.

COUN. WILSON A. VIRAY – Total damage sa Naujan, ilan ba ang totally damaged?

JOERY M. GEROLEO – 8,400 ang report ng damaged houses sa 52 barangays, may 18 barangays na hindi pa kasama. Iyong kinukuhan natin bigas, sardines, noodles, iyon po ay doon ibabawas sa P2M.

COUN. LEO G. DE VILLA – Ang barangay ba ay naging ready?

JOERY M. GEROLEO – May mga report naman po na meron silang stockpile.

COUN. LEO G. DE VILLA – Maraming lumikas sa mga barangay, hindi ko naramdaman na mayroong ayuda mula sa pamahalaan para magkaroon din ng command ang bawat barangay.

JOERY M. GEROLEO – Pwede tayong bumili pero pahirapan naman sa pagbili. Kalakasan na ng bagyo noong December 15 at inabot na ng bagyo sa Curva ang ating bigas. Pwede po na i-full blast ang 30% QRF ang problema ay wala nang mabili.

COUN. LEO G. DE VILLA – Ang naging problema kasi last year ay ang COA.

COUN. CANDIDO J. MELGAR, JR. – Wala kasing declaration last year.

JOERY GEROLEO – Hindi din po kasi tayo mag-stockpiling ng madami dahil for bidding na ito. Kapag more than P100,000.00 ay for bidding pa.

COUN. WILSON A. VIRAY – May MOA naman tayo sa NFA during calamity. Bakit nagti-tyaga pa tayo sa NFA ay pwede naman pala sa iba dahil ibi-bid din pala?

COUN. GREAT M. DELOS REYES – Kapag ang halaga ay lalagpas ng P100,000.00 dadaan ito sa bidding. Kung bibili sa labas magkakaroon din ng bidding. Ang forecast ng PAGASA ay tatama dito sa atin ng Wednesday, 12:00 p.m. pero tumama ng Martes at 10:00 a.m. So, wala na tayong magagawa.

COUN. LEO G. DE VILLA – Bakit tayo matatakot sa COA kung tatama naman sa atin ang bagyo. Paano kung kailangan ng mga tao? Depensahan na lang natin.

COUN. CANDIDO J. MELGAR, JR. – So, nagamit na ang 70% para sa preparedness. Stockpile na 140,000 na bigas, noodles at sardines. May magagamit pa tayo na P2.7M, ilan na ang nagamit out of that?

JOERY M. GEROLEO – Ang nagamit ay about P500,000.00.

COUN. CANDIDO J. MELGAR, JR. – Ilan pa ang kailangan natin?

ABSTENENCIA C. DE GUZMAN – Mga P3M pa ang kailangan for food.

FLOOR LEADER – Kulang na tayo ng P300,000.00 para sa food assistance. Magkano po ang kailangan para sa shelter?

ABSTENENCIA C. DE GUZMAN – P26M ang kailangan for shelter assistance para sa 52 barangays.

COUN. CANDIDO J. MELGAR, JR. – May P5.7M tayo for next year.

COUN. LEO G. DE VILLA – Papaano ang preparedness. Hindi pwedeng gamitin lahat ang pondo by next year.

COUN. CANDIDO J. MELGAR, JR. – P29M ang kailangan natin sa ngayon and yet P2.7M lang ang mayroon tayo ngayon.

PRESIDING OFFICER PRO TEMPORE – We still need P29M, P3M for food and P26M for shelter assistance. Question from the Chair, mula sa anong district iyong hindi pa nakakapag-submit ng report? Ano ang sitwasyon ng area, passable na ba?

JOERY M. GEROLEO – Motorsiklo pa lang po ang pwede. Ang Barangay San Andres at Barangay Malvar ay hindi pa po napupuntahan.

ABSTENENCIA DE GUZMAN – Mayroong tayong apat na casualty.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Hindi ba naisama ang Metolza at Evangelista?

ABSTENENCIA C. DE GUZMAN – Metolza ay wala pang report, pero sa Barangay Evangelista ay mayroon na.

COUN. CANDIDO J. MELGAR, JR. - Kaugnay ng Supplemental Investment Program No. 3, may pangangailangan ba talaga para i-reconsider ng MDC. Ano ba ang dapat kalagyan ng pondo?

ABSTENENCIA C. DE GUZMAN – Food at pagpapaayos ng bahay, iyong seeds ay later na lang. Iyon ang pinakakailangan nila sa ngayon ay food at materials assistance.

COUN. LEO G. DE VILLA – Iyon ba ay cash?

ABSTENENCIA C. DE GUZMAN – Ang plano namin ay materials assistance. Itinatanong din naming kung saan galing ang bahay.

COUN. GREAT M. DELOS REYES – Ano ba ang plano sa pamimigay? Paano ang pagkukwenta ng damages?

ABSTENENCIA C. DE GUZMAN – P3,000.00 sa totally damaged, P1,000.00 sa partially damaged. May pipirmahan sila na form na kung wala ito hindi sila mabibigyan. Bago matapos ang assessment ay one and one half (1 ½) months kapag sa atin galing ang pondo.

COUN. GREAT M. DELOS REYES – Talagang kailangan ng tao ang ayuda, huwag na itong patagalin.

COUN. CANDIDO J. MELGAR, JR. – Ilan ang tao ninyo? Sa partial report ay 8,412 in 52 barangays.

ABSTENENCIA C. DE GUZMAN – 10 kami kasama ang 3 job order personnel, makikipag-coordinate kami sa Regional Office.

COUN. GREAT M. DELOS REYES – Iyong para sa totally damaged, pwede na bang mag-release? Baka pwede naman na mas mapabilis ang pagproseso ng tulong sa mga barangay.

COUN. CANDIDO J. MELGAR, JR. – Sa 52 barangays ay P29M ang kailangan, pero ang ating pondo ay kulang.

ABSTENENCIA C. DE GUZMAN – Ang priority namin ay food packs pwede namang unahin natin ang totally damaged.

COUN. WILSON A. VIRAY – Tama sa butas, sala sa batas.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Previously, hindi tayo nadadamage ng ganito dapat quick response nagiging slow response. Kailangan ng tulong ng kababayan natin wala silang makain. We have to do something immediately.

ABSTENENCIA C. DE GUZMAN – Hindi tayo mareleasan ng 400 cavans na pina-purchase natin.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Iyong MOA ba with NFA dito lang ba iyon sa Naujan?

JOERY GEROLEO – Sa Calapan NFA Buying Station.

COUN. CANDIDO J. MELGAR, JR. – *(Reads provisions of the MOA with NFA.)* Kung magkakaroon ng revision sa SIP, sa shelter assistance ilalagay not on food.

ABSTENENCIA C. DE GUZMAN – Yes po.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – We have to do something, ineffective ang NFA. Dapat gumawa tayo ng paraan dahil nagugutom ang ating mga kababayan. Bakit kailangan pa ng approval ng accountant? We have to visit our MOA with NFA, we have to learn from our mistakes. Maraming shortcomings, sa MOA ay tali na tayo na 100 cavans lang, mayroon pa bang pamamaraan para makaresponde ang munisipyo? Is there any other way for the Local Chief Executive para makabili agad ng bigas para makaresponde ang munisipyo?

COUN. CANDIDO J. MELGAR, JR. – Maybe makapag-MOA tayo with private individuals idadaan sa proseso ng bidding process, more papers ito. Government to government, MOA with NFA is

the fastest way. May delay ba sa pagkuha sa NFA?

JOERY GEROLEO – Wala po, nakapila lang.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Bakit nagkakaroon ng delay sa payment?

JOERY GEROLEO – Walang delay sa payment. But last year merong nag-suggest sa barangay na gamitin muna ang QRF nila.

COUN. CANDIDO J. MELGAR, JR. – Kung maa-approve ang budget ng barangay, pwedeng gamitin sa January 1 ay QRF nila.

PRESIDING OFFICER – Kung wala nang katanungan, maraming salamat po sa inyong pagdalo sa aming sesyon.

ABSTENENCIA C. DE GUZMAN/JOERY GEROLEO – Maraming salamat din po.

COUN. CANDIDO J. MELGAR, JR. – Madam Presiding Officer, I move for the lifting of the suspension of the rules of procedures.

PRESIDING OFFICER – On motion of Floor Leader, the suspension of the rules of procedures is now lifted. We do not have any journal to be confirmed today. Let us proceed to the Referral of Measures and Reading of Communications.

REFERRAL OF MEASURES AND READING OF COMMUNICATIONS:

(The Secretary reads the following communications while the Floor Leader makes the appropriate referral.)

12.01 Proposed Resolution:

Sponsored by: Coun. Edgar Ibrahim C. Llamar, MD and Coun. Wilson A. Viray

Subject: Resolution Requesting Honorable City Mayor Jaime R. Fresnedi thru City Councilor Coun. Stephanie Teves for Calamity Assistance for the People of Naujan affected by Typhoon Nona with Signal No. 3 during December 15, 2015

12.02 Proposed Resolution:

Sponsored by: Coun. Mara Edamzel L. Dudas

Subject: Resolution Requesting Vice President Jejomar Binay for Calamity Assistance for the People of Naujan affected by Typhoon Nona with Signal No. 3 during December 15, 2015

COMMITTEE REPORT/S:

COUN. CANDIDO J. MELGAR, JR. – Madam Presiding Officer, this refers to the Supplemental Investment Plan No. 3, Series of 2015 submitted to our office on December 14, 2015 amounting to P5,937,201.00. During the caucus earlier, we suggested to consider the Supplemental Investment Plan No. 3, to be returned to the MDC to make it more responsive to the needs of our barangays devastated by the typhoon.

PRESIDING OFFICER PRO TEMPORE – The Distinguished Councilor from Sampaguita, is recognized.

COUN. WILSON A. VIRAY – On my part I object to return it to the proper authority. Being one of the members of this August Body, I am objecting.

COUN. CANDIDO J. MELGAR, JR. – This was referred to the Committee on Finance, Budget and Appropriations and we could report this. Then, I called for a caucus whether we could allow to reconsider the Supplemental Investment Plan No. 3. It's the consensus of the majority.

COUN. WILSON A. VIRAY – But its in the session hindi nagkaroon ng committee hearing nag-caucus pero nag-object ako.

COUN. CANDIDO J. MELGAR, JR. – My motion is to consider.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – There was a letter.

COUN. CANDIDO J. MELGAR, JR. – There was no committee hearing that's why it is verbal report.

COUN. WILSON A. VIRAY – The recommendation is only to call the MSWDO and MDRRMO para

matukoy kung magkano ang kailangan.

COUN. CANDIDO J. MELGAR, JR. – We are preparing for Quick Response Fund estimated at P26M for 52 barangays.

COUN. WILSON A. VIRAY – We have P2M for QRF na hindi nauubos, bakit hindi gastusin? Kulang pa rin ng report ang 18 barangays.

PRESIDING OFFICER PRO TEMPORE – The Distinguished Lady Councilor from Sampaguita, is recognized.

COUN. MARA EDAMZEL L. DUDAS - The question is about the proseso ng pagre-report. Maaari ba nating patapusin ang reporting ng subject matter, bilang Chairman ng Committee on Rules? Then we can clarify and interpellate.

COUN. CANDIDO J. MELGAR, JR. – I agree to the motion of the Distinguished Coun. Mara Edamzel L. Dudas. If there's an objection we can take it into voting. This is a verbal report, this can be done. At pinapayagan natin itong verbal report.

COUN. MARA EDAMZEL L. DUDAS – What is the consequence kung tinanggap natin ang report? Pero ang hindi ibig sabihin ay gagawa ng resolution ito?

PRESIDING OFFICER PRO TEMPORE – For adoption on the floor and not on the committee.

COUN. CANDIDO J. MELGAR, JR. – The recommendation is to return this subject matter to the Mayor's Office.

PRESIDING OFFICER PRO TEMPORE – Can we ask our members, who are in favor that the subject matter be reported? The Distinguished Councilor from Sta. Isabel?

COUN. LEO G. DE VILLA – Madam Presiding Officer, I agree.

PRESIDING OFFICER PRO TEMPORE – The Distinguished Lady Councilor from Sampaguita?

COUN. MARA EDAMZEL L. DUDAS – Madam Presiding Officer, I'm not against the reporting.

PRESIDING OFFICER PRO TEMPORE – The Distinguished Councilor from Sampaguita?

COUN. WILSON A. VIRAY - I submit that the subject matter be reported.

PRESIDING OFFICER PRO TEMPORE – As Vice Chairman, I agree that this subject matter be reported.

COUN. CANDIDO J. MELGAR, JR. – Madam Presiding Officer, I recommend to return the subject matter.

COUN. WILSON A. VIRAY – Is this the recommendation of the committee? To return the subject matter to the MDC?

COUN. CANDIDO J. MELGAR, JR. – The recommendation is to return the SIP no. 3 to the MDC to make it more responsive to the needs of these affected by the typhoon.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Madam Presiding Officer, can I ask some of the members of the Committee on Finance if they agree.

PRESIDING OFFICER PRO TEMPORE – The said recommendation shall be put into voting.

COUN. WILSON A. VIRAY – Madam Presiding Officer, I object to return this to the proper authority.

COUN. CANDIDO J. MELGAR, JR. – Madam Presiding Officer, I move to put this into voting.

PRESIDING OFFICER PRO TEMPORE – I declare a five minute recess.

RECESS:

(Recess is declared at 4:05 p.m.)

RESUMPTION:

(Session is resumed at 4:10 p.m.)

PRESIDING OFFICER PRO TEMPORE – Session is now resumed. The Distinguished Councilor from Melgar A is recognized.

COUN. CANDIDO J. MELGAR, JR. – Madam Presiding Officer, I reinstate my earlier motion regarding my recommendations. I move that the verbal committee report be adopted.

PRESIDING OFFICER PRO TEMPORE – Any objection?

COUN. WILSON A. VIRAY – Madam Presiding Officer, I object. Nag-object nga ako sa recommendation, bakit ko ia-adopt?

COUN. CANDIDO J. MELGAR, JR. – I move for the adoption of the verbal committee report.

PRESIDING OFFICER PRO TEMPORE – Let us put into voting whether we will adopt or not.

COUN. GREAT M. DELOS REYES – Madam Presiding Officer, iisa ang ating pinagtatalunan, kung ibabalik makikita na ng iba ang pinsala. Maaring nakatulong na ako sa bagay na ito, ipakita natin ang tulong na manggagaling sa gobyerno.

PRESIDING OFFICER PRO TEMPORE – So, the Gentlemen from Barcenaga is agreeable to adopt the verbal report?

COUN. GREAT M. DELOS REYES – I am in favor.

COUN. MARA EDAMZEL L. DUDAS – Madam Presiding Officer, if we are to adopt, ito ba ay ika-calendar.

COUN. CANDIDO J. MELGAR, JR – Yes, because we will pass a resolution requesting to reconsider the SIP No. 3.

PRESIDING OFFICER PRO TEMPORE – I declare a five (5) minute recess.

RECESS:

(Recess is declared at 4:15 p.m.)

RESUMPTION:

(Session is resumed at 4:20 p.m.)

PRESIDING OFFICER PRO TEMPORE – Session is now resumed. The Distinguished Lady Councilor from Sampaguita is recognized.

COUN. MARA EDAMZEL L. DUDAS – Madam Presiding Officer, what is really the recommendation of the Chair?

PRESIDING OFFICER PRO TEMPORE – For adoption of the report. The Distinguished Councilor from Sta. Isabel is recognized.

COUN. LEO G. DE VILLA – Madam Presiding Officer, I agree that the report be adopted.

COUN. WILSON A. VIRAY – Madam Presiding Officer, I object. First, no committee hearing. Second hindi iyan ang makasasagot sa pangangailangan ng mamamayan, ang P6M gamot kabayo. Hindi pwedeng madaliin. By 2016, may pondo naman tayo na pwedeng gamitin.

COUN. MARA EDAMZEL L. DUDAS – Hindi muna. Naintindihan ko ang ipinaglalaban pero kailangan na i-exhaust muna ang available fund, may 70% preparedness na unexpended pa at pwedeng gamitin by 2016. Kung kung ililipat naman ito, hindi ba apektado ang opisina na aalisan ng pondo. At ang MDC ang dapat mag-initiate, hindi sa atin, para hindi magkaroon ng encroaching.

COUN. EDGAR IBRAHIM C. LLAMAR, MD – Walang klarong committee hearing.

COUN. MARA EDAMZEL L. DUDAS – Hindi pwedeng gawing rason na sabihin na walang committee hearing dahil allowed naman ito. Nakakahiya naman, sa legality lang. Allowed naman po tayo na verbal committee report.

COUN. WILSON A. VIRAY – Kaya sinabi ko ay dahil may schedule tayo.

PRESIDING OFFICER PRO TEMPORE – Ito naman ay pinapayagan na mag-verbal report.

COUN. GREAT M. DELOS REYES – Ito man ang sinasabi ng iba, ito po ay opinyon nya, nararapat tanggapin ang opinyon ng bawat isa.

COUN. EDGAR IBRAHIM C. LLAMAR, MD – Alam natin na may resource persons tayo kapag may

committee hearing. The MDRRMO and MSWDO is not enough as of now, wala tayong klarong report. Ang kailangan ng tao ay pagkain. Marami pa sigurong mahahanap na pondo. I am not in favor.

COUN. JOJO B. DE VILLA – Alam ko na maganda ang intensyon ng sponsor, may P2.2M pa tayo na hindi nagagastos. Mas maganda na ayusin muna ang plano na pinupuntirya by 2016 pwedeng gamitin na uli ang pondo. Ako ay hindi favor.

COUN. CANDIDO J. MELGAR, JR. – Madam Presiding Officer, I am in favor, because I believe that the little needs that our departments can sacrifice will affect the needs of our constituents. Wala akong nakikitang problema kung verbal report, it is allowed. I also agree that the verbal report is subject to adoption, kung hindi nag-agree ang member ay mayroon dapat dissenting opinion. I am requesting for reconsideration.

PRESIDING OFFICER PRO TEMPORE – Four members are not in favor to adopt the report regarding SIP No. 3, while three members are in favor to adopt the report. Therefore, the verbal committee report is not adopted.

COUN. CANDIDO J. MELGAR, JR. -- Madam Presiding Officer, may I be allowed to render a verbal committee report regarding the Supplemental Budget of four barangays for FY 2015, namely: Barangay Bancuro, Barangay Sampaguita, Barangay Poblacion II and Barangay Gamao.

PRESIDING OFFICER PRO TEMPORE – You may proceed.

PRESIDING OFFICER PRO TEMPORE – Any interpellation? The Distinguished Councilor from Sta. Isabel is recognized.

COUN. LEO G. DE VILLA – Madam Presiding Officer, nandoon ang pangangailangan ng ating mga kababayan, pero bakit ipinagkakait ang tulong mula sa ating kaban ng bayan. Bakit tayo aasa, nganganga sa isang Konsehala at Punumbayan na hindi man lang natin nakakapanayam. Bakit tayo nganganga, ni hindi natin alam kung magkano ang ibibigay sa atin, hindi naman sa hinahamak natin sila.

COUN. EDGAR IBRAHIM C. LLAMAR, MD – Gumagawa tayo ng kaparaanan.

PRESIDING OFFICER PRO TEMPORE – The Distinguished Councilor from Barcenaga, is recognized.

COUN. GREAT M. DELOS REYES – Alam ba ng Sponsor ang kanyang inirereport? Sapagkat mayroon naman tayong sariling kaparaanan mula sa ating kaban ng bayan, gayong tayo ay lalayo pa para humingi ng tulong sa ibang bayan. Bakit natin ipagdamot ang kaban ng bayan gayong pwede naman nating gastusin ang sarili nating pondo?

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Madam Presiding Officer, ito naman ay paghingi ng medical assistance.

(Coun. Great M. Delos Reyes walked out of the session hall.)

PRESIDING OFFICER PRO TEMPORE – You may now have the floor, the Liga President Deogracias U. Dela Paz, IV is recognized.

LIGA PRESIDENT DEOGRACIAS U. DELA PAZ, IV – Noong araw ng ating sesyon ako po ay nasa emergency meeting para makapag- reproduce ng bigas para sa relief operation ng Barangay Apitong, so part din po ng pagkakaroon emergency meeting ang aming Sanggunian para pag-usapan iyong hindi nabigyan ng relief goods noong Thursday, mayroon kaming nakuhang relief goods sa OPCEN na 140 plus which is affected families sa amin ay nasa 400 plus kaya po that time noong umaga nandito ako sa Naujan, kung hindi ako nagkakamali Madam Presiding Officer, nagkausap pa tayo sa labas together with Konsehal Dan. Nagpatawag ako ng emergency meeting para makapagpa repack ng relief goods para makapagbigay sa more or less 200 plus affected families sa aming barangay, kaya hindi ako nakarating ng ganun kaaga sa session ng Monday for 1:00 pm., pumunta po ako dito, hapon na nga lang at tapos na po ang session kaya umuwi na ako at dumiretso na ako pa-Calapan that time. Hindi ko po talaga intensyon na hindi humabol, na hindi umattend sa sesyon, kinailangan lang po talaga ako sa

aking barangay. If that is the query of our Floor Leader, iyon po ang aking kadahilanan. Nais ko po sanang humiling sa ating mga kasama sa Sanggunian na ako ay hindi naman totally official business dahil wala akong communication sa pagpapatawag ng emergency meeting, pero hinihiling ko na ako ay pahintulutan pa rin na makadalo sa sesyon na ito.

FLOOR LEADER – Madam Presing Officer, may we abide with the provisions under our IRP.

PRESIDING OFFICER PRO TEMPORE – Mr. Chair, its under the Calendar of Business of our Internal Rules of Procedures, may I request our Floor Leader to read Section 21, of our Internal Rules of Procedures.

FLOOR LEADER – *(Reads Section 21 in the Internal Rules of Procedures in paragraph No. 4.)" If a member arrives at the start of the Calendar of Business, he shall be considered absent. However, in the case of a member coming late from an official business, the Presiding Officer should acknowledge and recognize his presence and attendance to the session rather than being considered on official business".*

COUN. WILSON A. VIRAY – Madam Presiding Officer, there is a statement and I believe the statement from the Liga President is valid and considered as Official Business. I'm only questioning/asking the legality why he arrived only Calendar of Business. On my point of view, ako rin naman ay nagsabi dito noon, kaya lang nagiging precedent na ito, na it depends upon the Body, if somebody will accept at the session if he arrives at the Calendar of Business.

PRESIDING OFFICER PRO TEMPORE – The Distinguished Lady Councilor from Sampaguita is recognized.

COUN. MARA EDAMZEL L. DUDAS – In correlation to paragraph 4 of Section 21, let us also read paragraph letter a together with letter b of Section 21(a) *Every member of the Sangguniang Bayan shall be present in all sessions, unless expressly excluded by it or necessarily prevented from doing so, by sickness, by attendance to official travel/business, or other unavoidable circumstances duly reported in personal writing or by phone to the Sangguniang Bayan, through the Secretary to the Sangguniang Bayan; Provided that, every authorized absence from the session shall be charged to the leave credits corresponding to his absence; (b)Official Business (OB) refers to the period the official or employee spends outside the office/work station to attend to work or work related activities.* Regarding the statement of Coun. Wilson A. Viray, there is already a statement from Liga President Deogracias U. Dela Paz, IV, that he was not actually in official business because there was no communication coming from him to the Secretary informing that he is on OB. I believe that the act of the Liga President is not on official business because he already stated however, but it's okay or I have no contention that he will be allowed to attend the session.

PRESIDING OFFICER PRO TEMPORE – Ang tingin ko sa paliwanang ni Liga President Deogracias U. Dela Paz, IV, kaya hindi official business ang sinasabi niya kasi thru letter siya ang nagpatawag at that time wala kasing signal kaya hindi sya naka-contact para makapag-inform sa ating Secretary para sa pagpapasabi na hindi sya makadadalo. Siya ang nagpatawag sa barangay officials kaya hindi pwedeng siya ay wala doon. Is there any objection sa attendance nya for today's session

COUN. LEO G. DE VILLA – Madam Presiding Officer, malinaw naman ang sabi ng Liga President na dalawang konsehal ang nakausap niya before the session at nagpaalam sya, hindi ba pwedeng ikonsidera iyon? Di ba mas magaling na iyon kaysa dun sa tumawag ka na pero wala naman samantalang personal naman kayong nag-usap.

PRESIDING OFFICER PRO TEMPORE – Hearing no objection, the Liga President Deogracias U. Dela Paz, IV is recognized for today's session.

COUN. EDGAR IBRAHIM C. LLAMAR, MD. – Madam Presiding Officer, may I know if the previous Secretary stated that the Liga ng mga Barangay President is on official business or absent?

PRESIDING OFFICER PRO TEMPORE – Madam Secretary, ano ang nakalagay sa roll call ng nakaraang sesyon?

ACTING SECRETARY – It was stated on our journal that the Liga President was absent.

FLOOR LEADER – In paragraph 3, of Section 21. "*Any member shall be considered on official business during the session, if there is a general invitation to the Sangguniang Bayan, previously read in the session as one of the items in the Order of Business. If the invitation is individual to the members, the concerned member should present the same directly to the Secretary to the Sangguniang Bayan or his designate, before or after the session is held*". Considering that the ABC President himself called the meeting, being the Punong Barangay and the communication was down during that time, I believe that it is also a form of invitation because he himself called the meeting of the barangay and stated that "*the concerned member should present the same directly to the Secretary to the Sangguniang Bayan or his designate, before or after the session is held*". So, meaning, he can produce the said invitation/communication of the said meeting after the session and the session was not yet finished as of this time.

PRESIDING OFFICER PRO TEMPORE – I believe na makakapag-provide ang ating Liga President ng kanyang communication. The Distinguished Councilor from Evangelista is recognized.

COUN. EDGAR IBRAHIM C. LLAMAR, MD – How can we relate ourselves with that statement during roll call because attendance is very much important. The record on our journal expresses that Liga President was considered as absent.

PRESIDING OFFICER PRO TEMPORE – Ganun ang record ng ating SB Secretary because he did not appear at that time.

FLOOR LEADER – Therefore, the record will be adjusted once the Liga President will appear during the Calendar of Business and once he submitted the invitation of the meeting, the record will be corrected. And even all resolutions since we allowed him, otherwise we did not allow his presence for today's session.

PRESIDING OFFICER PRO TEMPORE – So, makakapag-provide naman siya ng copy ng invitation at nag-appear naman siya during Calendar of Business. The Liga ng mga Barangay President is allowed to attend the session. Let's proceed.

FLOOR LEADER – Before we continue, item No. 1 of Calendar of Business, it is a resolution from Coun. Edgar Ibrahim C. Llamar, MD, I would like to call the attention of the SB Members because we have received a letter from Local Chief Executive dated December 21, 2015. Madam Presiding Officer, may I be allowed to read the content of the said letter.

PRESIDING OFFICER PRO TEMPORE – You may proceed.

FLOOR LEADER – *(Reads the communication dated December 21, 2015 regarding the resubmitted Supplemental Investment Plan No. 3.)*

COUN. WILSON A. VIRAY – Madam Presiding Officer, for the record purposes, may I know what time and date it was received?

FLOOR LEADER – The communication was received on December 21, 2015, at 1:10 p.m. by one of our staff.

COUN. WILSON A. VIRAY – Madam Presiding Officer, during our last session, we have approve our Order of Business, the letter coming from our LCE is not included in the Order of Business, it was moved and approved by SB during the last session.

FLOOR LEADER – Madam Presiding Officer, in Section 43. Calendar of Business (d) Urgent Matters – *those that may be brought before the sanggunian for immediate consideration even if not*

listed in the calendar of business, to wit:

1. Matters certified to as urgent by the Municipal Mayor as evidenced by an attached official certification;

2. Matters considered as urgent by the majority of the Sanggunian members;

The Calendar of Business should not bind the Sanggunian to a fixed routine. On a motion to suspend the rules, items of business may be taken away from their fixed order to permit the consideration of urgent matters ahead of others.

COUN. WILSON A. VIRAY – Madam Presiding Officer, Yes. I agree with that but the interpretation is different from the Internal Rules of Procedures which states, that during the approval of the Order of Buiness the subject matter is not included in our agenda and today is only a continuation of our previous session held last Friday. Ang tinutukoy diyan sa Calendar of Business na urgent matters pwedeng hindi na padaanin provided it was included during the Order of Business.

FLOOR LEADER – Madam Presiding Officer, can the Gentlemen from Sampaguita specify what provision state that the subject matter was to be first included in the Order of Business.

COUN. WILSON A. VIRAY – Yes, but the interpretation is not like that. Hindi ganun ang interpretation. Pahabol lang yan.

FLOOR LEADER – And whose interpretation is accurate?

PRESIDING OFFICER PRO TEMPORE – The Distinguished Lady Councilor from Sampaguita is recognized.

COUN. MARA EDAMZEL L. DUDAS – Madam Presiding Officer, regarding the letter of the Municipal Mayor dated today, my interpretation is that being the Chairperson of Committee on Rules is that such urgent matter may not be included in the Order of Business or Calendar of Business on the next session, not the session that has being suspended and to be resumed but if it was received today, December 21, it is not possible. If we are going to agree we will set another session not on the same, resumption of the session or has been suspended.

FLOOR LEADER – Ito lang po iyong sinasabi natin, why the Local Chief Executive will request for urgent communication? Because it is our last session for this year. Why we did not decide to call for another session and very clear on the last paragraph that the routine depending on the approval of the Sangguniang Bayan Members.

COUN. WILSON A. VIRAY – If it is the intention of our Local Chief Executive to call back the letter at magpasa ng another letter, why is it hindi nagpasa noong nakaraang sesyon ay nakabagyo na nun?

FLOOR LEADER – Because the Local Chief Executive believes that Sangguniang Bayan can participate or be part of that reconsideration because we are on state of calamity. Nasa ating mga kamay na ito.

COUN. WILSON A. VIRAY – That is wrong interpretation.

FLOOR LEADER – Interpretation by whom?

COUN. WILSON A. VIRAY – That is wrong belief.

FLOOR LEADER – Wrong belief by whom?

COUN. WILSON A. VIRAY – The Local Chief Executive

FLOOR LEADER – Please take note, Madam Secretary the statement of Coun. Wilson A. Viray that there is a wrong belief mentioned.

COUN. WILSON A. VIRAY – Walang SB Members na gagawa ng plano, only the MDC or Execom ang gagawa ng plano hindi ang SB. Kung nakita ninyo na nangngailangan nito bakit hindi kaagad nag-convene ang Execom o ang MDC na kinakailangan i-retrieve natin ang sulat at

baguhin ang plano. Why is it kailangan mag-endorso ay ang SB? It is not our job. Our job is to approve.

FLOOR LEADER – Yes, it is our job because the matters was referred to the SB, it's our duty to report it to MDC thru LCE for reconsideration. We are not saying to change this into calamity related supplies. We are asking for reconsideration to make SIP No. 3 responsive when programs and activities will be allocated. We are just saying to return. Recommendation is to return the SIP No. 3. It is the job of the MDC to re-submit the Supplemental Investment Plan. In times of calamity, even the procurement law, some sections pwede silang without bidding. We can purchase directly even without bidding.

COUN. WILSON A. VIRAY – Madam Presiding Officer, based sa statement hindi na kinakailangang maghintay ng bidding?

COUN. MARA EDAMZEL L. DUDAS – Madam Presiding Officer, point of order lumalayo na po tayo sa topic.

FLOOR LEADER – Madam Presiding Officer, considering there are several views that can be presented today, I move that the question whether to accept the letter maybe decided by the Sanggunian

COUN. MARA EDAMZEL L. DUDAS – Madam Presiding Officer, magkaiba po ang Calendar of Business at Order of Business. Ang sinasabi ni Konsehal Dan ay Calendar of Business, ang sinasabi ko naman po ay pwede naman ito kung halimbawang bukas ay magpatawag tayo ng special session kung kailangan po talaga at trabaho naman natin. Pwede naman na mag-special session tayo para sa SIP na yan, para sa resolusyon ng MDC. Ang purpose ng Order of Business ay para may proseso hindi para rambulin. Ano ba talaga ang dapat nating gawin? kung basta papasok ang communication ia-accommodate na lang basta, pwede namang i-accommodate pero sa susunod na sesyon na ito.

PRESIDING OFFICER PRO TEMPORE – From the statement of the Councilor from Sampaguita, iyong basta na lang pumapasok, wala naman akong naaalala na nag-accommodate tayo ng late ng communication. Nakikita ko lang na itong communication na ito ay talagang urgent, because we are on state of calamity, that's why in-urgent ito ng ating Punumbayan. Kung sinubmit ng late hindi natin ito ina-accommodate. The Distinguished Councilor from Sta. Isabel is recognized.

COUN. LEO G. DE VILLA – Madam Presiding Officer, last Friday na nag-sesyon tayo, totoo naman iyon na hindi kara-karaka mapapalitan iyong SIP kasi nasa atin na, nai-submit na sa SB. Ngayon, ang hinahanap naman natin, nakikita naman natin an nagkaroon ng kalamidad nung Tuesday ay nai-submit na sa atin ang SIP, nasa ating mga kamay kung paano maiko-convert na maisama sa maitutulong sa ating mga mamamayan na nasiraan ng bahay. Bakit hindi natin pagkaisahan ang desisyong tayo ay tumulong wala namang magagawa, dumating na ang trahedya at wala namang nagsabi na yan ay kung kailan dadating. Ako naman ay nakikiusap na sa inyo sa ganyang sitwasyon dapat naman ay nung Friday pa natin napagkasunduan. Tayo naman ay magpakiusapan na lamang at huwag na nating isipin ang mga dadaanan pa. Ang isipin natin ay itong nakaraan, sagutin natin ang kung ano ang kaya nating itulong para sa ating mga kababayan. Hindi ito para sa pansarili kundi para sa ating mamamayan.

PRESIDING OFFICER PRO TEMPORE – Let us settle the issue. May dumating na communication galing sa ating LCE.

COUN. MARA EDAMZEL L. DUDAS – Hindi ko kayang tanggapin nang ganun na lang dahil kaya nga tayo may Order of Business iyon ang dapat nating sundin, kaya may Order of Buisness para hindi tayo maging magulo. Oo, naintindihan ko yung sinasabi ni Konsehal Leo na

magpakiusapan, walang problema dun. Kaya ko pong sumunod basta nasa legal na proseso lamang. Katulad ng sinabi niya, pumasok noong December 14, nagkaroon ng sesyon ng December 18, ngayon pumasok ang bagong communication. Bakit sila nakagawa ng resolusyon na ang ruling natin noong nakaraan ay hindi natin na-adopt? Oh! Di gumawa sila ng panibagong resolusyon para baguhin nila iyong luma. Bakit hindi nila ginawa iyan noong December 14 o 15 o 16, bago nag-sesyon noong December 18?

FLOOR LEADER – Because the Local Chief Executive believes that Sangguniang Bayan are reasonable men.

COUN. MARA EDAMZEL L. DUDAS – Reasonable nga po kaya nga po sumusunod sa proseso, kasi nga po kung hindi na kailangang sundin o sumunod sa legalidad o proseso, basta kung ano na lang mapag-usapan, basta kung ano na lang ipapakiusap

FLOOR LEADER – Pwede ko bang itanong sa Lady Councilor.

COUN. MARA EDAMZEL L. DUDAS – Pero pasensya na po kung ipagpipilitan ninyo, sabihin ninyo nang barbaric ang attitude ko, pero hindi ko kayo masasamahan, kasi nakakaawa, hindi ninyo alam ang ginagawa ninyo.

(Coun. Mara Edamzel L. Dudas, Coun. Wilson A. Viray and Coun. Edgar Ibrahim C. Llamar, MD., walked out of the session hall)

PRESIDING OFFICER PRO TEMPORE – I declare a recess.

RECESS:

(Recess is declared at 2:40 p.m.)

RESUMPTION:

(Session is resumed at 2:45 p.m.)

PRESIDING OFFICER PRO TEMPORE – Session is now resumed. Pwede po bang i-settle na lang natin ito?

FLOOR LEADER – Umpisa pa lang ayaw na dito ano pa ang gagawin? Kaya ituloy na lang natin para makita nila iyong other side kung bakit natin pinagpipilitan dahil kung magkaka-sesyon tayo ano ang sabi nila hindi na pwedeng gamitin iyan sapagkat may pondo pa naman, iyon ang babasahin natin sa reportings at iyong kanilang mga komento, hindi na wag na dahil may pondo pa naman tayo, pag ubos na tsaka natin gamitin at iyan ay gagamitin lamang sa pulitika. Pull-out na ang record. Bakit magse-session pa ganun din iyon kahit ito ay ikomite ganun din yun.

COUN. LEO G. DE VILLA – Reasonable naman iyong kay Konsehala Mara, iyong December 14 na communication ay iyon na lang ang ibalik.

PRESIDING OFFICER PRO TEMPORE – Hindi naman na-adopt, ano ang ibabalik? Iyong unang pina-receive hindi ba ni-refer sa Committee on Finance, so nasa atin na iyan nakita natin, that situation, pwede namang ibalik na kagad natin sa LCE.

FLOOR LEADER – I-final na natin.

COUN. GREAT M. DELOS REYES – Magpatawag na lang ng special session.

FLOOR LEADER – Ano pa mangyayari diyan? Wala, ipapasa pa ito, nagawa na natin ang ating part, first time nating gustong gawin ito, ayaw pang i-consider. Lagyan ng proceedings noong Friday iyong botohan at the SIP will return to LCE.

COUN. GREAT M. DELOS REYES – Kung ano talaga ang naging imikan dito sa loob iyon dapat ang nakalagay sa journal, wala dapat puputulin.

FLOOR LEADER – Wag minutes iyong journal dapat.

COUN. GREAT M. DELOS REYES – Kung ano ang naging imikan, kung ano ang naging komento mula sa simula iyan ang dapat nakalagay sa journal.

LIGA PRES. DEOGRACIAS U. DELA PAZ, IV – Paano iyon, nai-record ba ng acting Secretary?

ACTING SECRETARY – Opo, nakapag-record po tayo.

FLOOR LEADER – Madam Presiding Officer, konsiderasyon lang naman ito. I would like to ask the journal of the deliberation last Friday. Let us furnish copy the members of Municipal Development Council, Local Chief Executive, the Municipal Administrator and SB Members.

PRESIDING OFFICER PRO TEMPORE – Please take note of that Madam Secretary. Due to lack of quorum let us adjourn this session.
