

IN THE MATTER OF AN ACCIDENT  
INVESTIGATION CONDUCTED AT  
ON-GOING CONSTRUCTION OF  
CATUIRAN HYDRO POWER PLANT  
PROJECT IN BRGY. MALVAR, NAUJAN,  
ORIENTAL MINDORO

CASE NO. RO4B-OI-2015-05-0001-W

X \_\_\_\_\_

TO: **MR. PHILIP EDUARD S. CAUSING**  
Project Manager  
Sta. Clara International Corporation  
Brgy. Malvar, Naujan, Oriental Mindoro

**LIFTING OF WORK STOPPAGE ORDER**

Pursuant to the recommendation of the investigation team composed of staff from this Office and the Bureau of Working Conditions (BWC), this Office hereby orders the lifting of Work Stoppage Order issued on 05 May 2015 at the on-going construction of Catuiran Hydro Power Plant Project in Brgy. Malvar, Naujan, Oriental Mindoro except in the area where fatal accident occurred which is now duly identified and barricaded.

The Work Stoppage Order in the area of accident remains in force until the Project Management submission of proof of implementation of its mitigation plan which includes the removal of the hanging boulders in the area of accident.

Management headed by its Senior Vice President for Operation, Mr. Ulysses M. Bautista, informed this Office that workers will be duly paid during the period of Work Stoppage Order.

This Order takes effect immediately.

07 May 2015, Calapan City, Philippines.

  
**TEODORO T. DELSON**  
OIC - Regional Director
